***** Due to a changeover to a new billing system on 22 June 2009, data prior to the 2009/10 financial year, typically not required for current operations, was migrated to a system that is difficult to access for reporting purposes. Consequently 2008/09 financial year data cannot currently be provided.

****** Horizon Power does not have a residential hot water tariff (B1), a small business time of use tariff (R1), a medium business time of use tariff (R3), a large business low voltage tariff (S1), or a large business high voltage tariff (T1).
