

WA HERBARIUM — FIT-OUT

2614. Hon Alison Xamon to the Minister for Environment

I refer to the Budget Papers page 824, Works in Progress regarding the Herbarium, and ask —

- (1) There are no forward estimates for the Biodiversity Science Centre and Herbarium Stage one, nor are any further Stages identified in the budget. Will the Herbarium be completely fitted-out and ready for use at the finalisation of stage one?
- (2) If no to (1), when will the fit-out and move to the new facility be budgeted?

Hon DONNA FARAGHER replied:

- (1) Yes.
- (2) Not applicable.
