[Supplementary Information No B32.]

Question: Ms S.F. McGurk asked: Is it possible to get a copy of the master plan for John Curtin College of the Arts?

Answer: A master plan for John Curtin College of the Arts was completed as part of an assessment of College's facilities and potential for future development.

It should be noted that this is a preliminary planning document only and is subject to change.

The College's Year 7 building project, currently under construction, was premised on this planning document. A copy of the master plan dated 10 January 2012 is attached.
