

GOLD CORPORATION — GOLD BAR CONTENT

410. Hon JAMES HAYWARD to the parliamentary secretary representing the Minister for Mines and Petroleum:

I refer to the answers provided to recent questions regarding Gold Corporation.

- (1) Can the minister clarify who made the 2021 decision to revert to refining practices that ensure a minimum average gold purity of 99.996 per cent, noting that in the answer to question without notice 316 the minister advised that it was not a commercial decision taken by Gold Corporation?
- (2) Will the minister direct Gold Corporation to furnish him with board minutes and any other documents or records that provide the answer to this parliamentary question, as required by section 6 part 7 of the Gold Corporation Act 1987; and if not, why not?

Hon MATTHEW SWINBOURN replied:

- (1) The 2021 decision was made by Gold Corporation.
- (2) See part (1).
