

DUNCRAIG HOUSE, SOUTHERN PUBLIC HEALTH UNIT

**696. Dr WOOLLARD to the Minister for Health:**

I ask a supplementary question. Will the minister give an indication of when a response will be given to the submission to house the southern public health unit at Duncraig House?

**Mr KUCERA replied:**

I have not seen the submission to which the member refers, although I received some notice from the member that a submission was being forwarded to the Department of Health. I cannot comment on any timetable, but the submission will be viewed in the light it was given.
