I refer the Premier to the 2002/2003 Annual Report of the Department of Premier and Cabinet and ask for the Fellowship Program with the Curtin Business School and for the financial years 2001/2002, 2002/2003 and the current financial year to date -

- (a) what are the names, titles, levels and departments of the officers attending the program;
- (b) are participants to the Fellowship Program required to report or submit papers relating to their research;
- (c) if not, why not; and
- (d) what is the cost of the program?

Dr G.I. GALLOP replied:

- (a) 2001/02  
Nil  
2002/03  
Myra Browne – Manager, Practice Development (Level 7) Drug and Alcohol Office  
Pamela Paton – Manager, District Operations (Level 7) Department of Education  
Lindsay Hale – Senior Project Manager (Level 8) Department of Education

- (b) Yes. Participants are required to submit their research reports to each of the sponsoring bodies (Department of the Premier and Cabinet, Curtin University and the Institute of Public Administration Australia). In addition, participants are required to deliver a seminar outlining their research findings to each of the sponsor bodies.
- (c) Not applicable.
- (d) The cost to the Department of the Premier and Cabinet is 30% of the fellows' salaries for the fellowship period, to a maximum of \$5000 each. The remaining costs are funded by Curtin (40%), IPAA (15%) and the fellow's agency (15%). There have been two exceptions to this: Ms Paton's and Mr Hale's fellowships were entirely funded by their own agency.
