

GUTHRIE REPORT, ACTUARIAL REPORT ON THE IMPLEMENTATION OF RECOMMENDATIONS

1728. Hon. C.L. Edwardes to the Minister for Consumer and Employment Protection

I refer to the actuarial report on the implementation of the Guthrie Report recommendations in relation to Workers' Compensation and ask -

- (a) will the Minister table a copy of the actuarial report; and
- (b) if not, why not?

Mr KOBELKE replied:

- (a)-(b) The Government has yet to get an actuarial report on the implementation of the Guthrie Report.

It is anticipated that a report will be available in the near future and it will be made public in due course.
