

WATER CORPORATION — DESALINATION PLANT

5506. Mr P.B. Watson to the Minister for Water:

- (1) Can the Minister please advise if Water Corporation have carried out any studies or planning into a desalination plant to be located on the south coast?
- (2) Has a site been identified as suitable to locate a desalination plant, and if so where is the site, or sites, and what is the size of any proposed plant?
- (3) If a site has been identified what towns will water from the plant service?

Ms M.J. Davies replied:

- (1) Yes.
- (2) No.
- (3) Not applicable.
