

HERITAGE, NATIONAL TRUST, STAFF DETAILS

1103. Mr Edwards to the Minister for the Environment and Heritage

Given that there were 62 FTEs listed for the National Trust's budget for the 2001/02 financial year and in the knowledge that the National Trust is a State Government Agency under the Public Sector Management Act 1994 and is accountable as an Agency for the purposes of the Anti Corruption Commission Act 1988, the Financial Administration and Audit Act 1985 and the Equal Employment Act 1984, will the Minister provide a list of the names, position titles and classification levels for each of the 62 FTEs and their principle place of employment?

Dr EDWARDS replied:

The National Trust has advised me that it has checked the published budget papers and can only find reference to 32 FTEs for the 2001/02 financial year.

The 32 full time equivalents is made up as follows:

Output 1 - 5

Output 2 - 25

Output 3 - 2

The majority of The National Trust of Australia (WA) staff are fixed term contract employees and the incumbents change at the end of the individual contracts and staff numbers will fluctuate depending on the success of grant applications.
