

PEEL HEALTH CAMPUS, MEDICAL INDEMNITY INSURANCE PREMIUMS OF VISITING MEDICAL
PRACTITIONERS

25. Mr A.D. MARSHALL to the Minister for Health:

I have a supplementary question. I respect the detailed research undertaken to provide the answer. Can I expect that the medical practitioners at the Peel Health Campus will get the same deal as those practitioners at Kalgoorlie and Geraldton?

Mr R.C. KUCERA replied:

The simple answer is yes, provided they meet the public hospital criteria I outlined in my previous answer. I thank the member for those questions because there was some need for clarity. I hope my answer clarified the situation for the member.
