

WESTERN AUSTRALIA, V8 ECONOMY

301. Hon DERRICK TOMLINSON to the Leader of the House:

- (1) Is it a fact, as has been stated publicly by the Treasurer, Hon Eric Ripper, that Western Australia has a V8 economy?
- (2) Is this V8 economy driven by a four-on-the-floor Government?
- (3) Is the Leader of the House aware that a previous four-on-the-floor Government left the State with an unprecedented level of debt, with a state insurance commission that was technically insolvent, and with civil litigation for the recovery of public moneys that has yet to be resolved?
- (4) Will the current four-on-the-floor Government outperform the previous four-on-the-floor Government?

The PRESIDENT: Order! The question is out of order.
