

WEST COAST DEMERSAL SCALEFISH RESOURCE

826. Ms M. Beard to the Minister for Fisheries:

- (1) I refer to the West Coast Demersal Scalefish Recovery Plan and staffing across regional WA and I ask:
 - (a) What is the total number of Full-time equivalents (FTE) fisheries officers employed and based in regional WA for each of the below years:
 - (i) 2017–2018;
 - (ii) 2018–2019;
 - (iii) 2019–2020;
 - (iv) 2020–2021;
 - (v) 2021–2022;
 - (vi) 2022–2023 as at date of submission; and
 - (vii) Of the number of positions outlined above, how many positions are vacant as at today?
- (2) For each of the financial years between 2017–18 to date, how many Fisheries staff were based at each of the below locations:
 - (a) Kalbarri;
 - (b) Carnarvon;
 - (c) Exmouth;
 - (d) Coral Bay;
 - (e) Onslow;
 - (f) Karratha; and
 - (g) Port Headland?
- (3) For each location outlined in (2), how many positions are vacant at date of submission?
- (4) For each location in (2), please outline the role title and level of Fisheries staff?

Mr D.T. Punch replied:

(1)–(4) [See tabled paper no [2161](#).]
