

CORONAVIRUS — INTERSTATE BORDER RESTRICTIONS

33. Ms M.J. DAVIES to the Premier:

I refer to the Premier's answer to my previous question: that he is aiming for a higher third-dose rate, a higher vaccination rate for children and is watching infection rates in the east to determine a new transition date for Western Australia.

- (1) What is the third-dose rate that the Premier wants to achieve?
- (2) What is the vaccination rate for children that the Premier wants to achieve before he makes this decision?

Mr M. McGOWAN replied:

- (1)–(2) As I have now said to the Leader of the Opposition on a number of occasions, that will be the subject of a review.
