

METRONET PROJECTS

275. Hon TJORN SIBMA to the Leader of the House representing the Minister for Transport:

I refer to the Metronet program of works and the impact of these works on nearby businesses.

- (1) Can the minister table a list of all compensation payments made to date as a result of disruption or potential disruption caused by the Metronet program of works?
- (2) How many businesses are currently seeking further compensation?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1)–(2) The McGowan government continues to work with residents and local businesses across Metronet projects to address the impacts of works.

The requested details are unable to be provided in the required time frame, so I ask that the member please place the question on notice.
