1118. Hon Barry House to the Parliamentary Secretary representing the Minister for State Development

I refer to the purchase of Pemberton Sports Club properties by the State Government, and ask -

- (2) What was the price, and has it been paid?
- (3) Does the Government intend to use the properties for Government related purposes?
- (4) If so, what are they?
- (5) Is the Government in discussion or negotiation with any organisation or individual for use of the land/premises?
- (6) If yes to (5), who are the parties and what is the intended use of the properties?
