

CHIROPRACTORS, TRADE BARRIERS TO CONTAIN COMPETITION

165. Mr M.F. Board to the Minister for Health

Has the Minister been informed that in the USA Medical Associations were found to have used trade barriers to contain competition by chiropractors?

Mr R.C. KUCERA replied:

I have been advised that the submission made in March 2000 by the Western Australian branch of the Chiropractors Association of Australia to the review of the Medical Act 1894 contained information on this issue.
