

BURSWOOD RESORT CASINO, TAX CHANGES

**203. Hon BARRY HOUSE to the Minister for Racing and Gaming:**

I refer to the minister's statement made earlier today concerning the Burswood Resort Casino.

- (1) What effect will the changes to casino tax rates have on the State's revenue?
- (2) Are these changes conditional upon Burswood Resort Casino providing a facility suitable to host the Hopman Cup in the future?

**Hon NICK GRIFFITHS replied:**

- (1)-(2) I am pleased that the honourable member has shown an interest in a very important development for the State which, as I have said to others, has been good for jobs, development and the revenue of the State. A conservative estimate for the current forward estimates period is \$13 million, and the revenue will continue to grow after that to \$30 million -

Hon Barry House: Extra?

Hon NICK GRIFFITHS: Yes, extra.

The current agreement provides for the Burswood Dome to remain in place. It is not proposed to amend that part of the current agreement.
