

MAIN ROADS — HIGH STREET UPGRADE

129. Hon Tjorn Sibma to the minister representing the Minister for Transport:

- (1) What is the cost of the McGowan Government's commitment to extend Leach Highway between Carrington Street and Stirling Highway to address freight congestion in High Street?
- (2) Will the upgrade reduce congestion along Leach Highway, Kwinana Freeway and Carrington Street?
- (3) Can the Minister advise the number of, and type of vehicle crashes along Leach Highway between the Kwinana Freeway and Carrington Street, for each of the years 2009–2017 inclusive?

Hon Stephen Dawson replied:

- (1) \$118 million has been allocated to the project. However, options are currently being investigated which will affect the actual project cost.
- (2) The project will provide significant congestion reduction for Stirling Highway and High Street.
- (3)
