

DISUSED RAILWAY TRACK RESERVES

247. Hon RICK MAZZA to the parliamentary secretary representing the Minister for Transport:

I refer to the many disused railway track reserves throughout Western Australia.

- (1) How many kilometres of disused railway reserves exist in the agricultural and south west regions?
- (2) What is the current status of tenure of each?
- (3) Who is responsible for the management of those reserves?
- (4) How many of these reserves are currently utilised for community activities such as walk trails, mountain biking, four-wheel drive trails, camp sites, and other?
- (5) Are there any plans to develop the currently disused reserves for community interest groups?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question. Unfortunately, it is not possible to provide a response in the time available. I request that the member place the question on notice.
