

FIRST HOME OWNERSHIP INQUIRY, GOVERNMENT SUBMISSION

2344. Mrs C.L. Edwardes to the Premier

I refer the Premier to the inquiry by the Productivity Commission into First Home Ownership and the issues paper for the inquiry on First Home Affordability and ask -

- (a) has the Western Australian Government made a submission to this inquiry;
- (b) if so, when; and
- (c) will the Premier table a copy of that submission?

Dr G.I. GALLOP replied:

- (a) Yes.
- (b) The submission was forwarded to the Productivity Commission by the Treasurer on 3 November 2003;
- (c) The submission was made available as a public document on the Productivity Commission's website (www.pc.gov.au) on 6 November 2003 and is also publicly available on the Department of Treasury and Finance's website (www.dtf.wa.gov.au). The Premier's press release of 14 November 2003 (State Government acts to help homebuyers) also contains details from the submission.
