

MENTAL HEALTH — SERVICES — WARREN–BLACKWOOD AND VASSE

878. Hon SALLY TALBOT to the Minister for Mental Health:

- (1) What mental health services are available in Warren–Blackwood and Vasse?
- (2) Where are these services based?
- (3) What funding do these services receive from the state government?

Hon HELEN MORTON replied:

I thank the member for some notice of the question. Unfortunately, I could not answer that question in the required time. As the member can imagine, there are quite a number of services. The question was not explicit to public mental health or services provided by the commonwealth et cetera. I ask the member to please put the question on notice and to try to be as specific as possible. If she wants all the commonwealth, Medicare-funded and pharmaceutical benefits scheme services et cetera, that will obviously take much more time.
