

PRESSURE VESSELS, OCCUPATIONAL SAFETY AND HEALTH REGULATIONS

2915. Mrs C.L. Edwardes to the Minister for State Development

I refer the Minister to the Occupational Safety and Health Regulations (OS&H) that require pressure vessels to be design verified to ensure compliance with AS1200 – Pressure Equipment and ask -

- (a) has the Minister met with representatives of Western Australian Pressure Vessel Manufactures where concerns relating to AS1200/AS1210 were discussed;
- (b) if so, when was the first meeting and what are the times and dates of any subsequent meetings;
- (c) was one of the outcomes of the meeting/s for the Minister to approach the Minister for Consumer and Employment Protection for a review of the relevant OS&H regulations;
- (d) if yes, when was this meeting held and who attended the meeting;
- (e) what was the outcome of this meeting; and
- (f) when does the Minister expect any changes to come into force?

Mr C.M. BROWN replied:

I am advised:

- (a) No
- (b) Not applicable
- (c) Not applicable
- (d) Not applicable
- (e) Not applicable
- (f) Not applicable
