

LAND RESUMPTIONS

Petition

HON DERRICK TOMLINSON (East Metropolitan) [10.02 am]: I present a petition bearing one signature couched in the following terms -

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia respectfully request that support be given to rectifying the discrimination and financial loss that exists where privately owned land has become subject to full or partial resumption or limitation of free and uninterrupted use when the land is required for a public purpose.

Your petitioners therefore respectfully requests that the Legislative Council will consider and adopt Legislation that provides a fairer and more equitable means for determining market value on an unaffected basis and compensation.

And your petitioners as in duty bound, will every pray.
