

CENTRAL WAIT LIST BUREAU, FUNDING

671. Mr BOARD to the Minister for Health:

The minister has not answered the question. It was a simple question. Will the minister tell the House that money allocated to the Central Wait List Bureau will stay in the bureau for the allocation to people waiting for elective surgery in this State or will the money be given to overspending tertiary hospitals?

Mr KUCERA replied:

I have already answered that question. The money is in the health budget. The Central Wait List Bureau will remain as it is. The money has been allocated through the budget process.
