

WATER CORPORATION — CREDIT CARD CHARGES

1930. Mr D.J. Kelly to the Minister for Water:

For each of the financial years of 2008–2009, 2009–2010, 2010–2011, 2011–2012, 2012–2013 and to December 2013, in regards to credit card charges at the point of payment for Water Corporation customers paying their water bills, can the Minister advise:

- (a) how much income this generated for the Water Corporation;
- (b) the numbers of customers paying by credit card;
- (c) the total value of all credit card payments;
- (d) the percentage fee charged; and
- (e) the total number of credit card payments?

Ms M.J. Davies replied:
