

BUS SHELTERS — BASSENDEAN ELECTORATE

2657. Mr D.J. Kelly to the Minister for Transport:

How many bus shelters are there in the suburbs of:

- (a) Ashfield;
- (b) Bassendean;
- (c) Beechboro;
- (d) Eden Hill;
- (e) Kiara;
- (f) Lockridge;
- (g) the area of Morley that falls within the State Electorate of Bassendean; and
- (h) the area of Bayswater that falls within the State Electorate of Bassendean?

Mr D.C. Nalder replied:

- (a)–(h) The provision of bus shelters and other discretionary infrastructure such as seats and bins at bus stops is undertaken by local governments. State Government, through the Public Transport Authority's Bus Shelter Grants Scheme, contributes to the cost of some new shelters however, ownership and ongoing care and maintenance of these shelters is the responsibility of individual councils.
