

CITY OF GOSNELLS, REVITALISATION PROJECT

371. Hon C L Edwardes to the Minister for Planning and Infrastructure

I refer the Minister to the City of Gosnells' revitalisation project, and prior Government media statement of 17 December 2000, which confirmed a \$13.3 million boost of public funding from the respective departments of the Ministry for Planning, Department of Transport, Main Roads, Western Power and Transport, who are working with the City of Gosnells as part of a revitalisation steering committee, and ask -

- (1) Will the Government similarly commit to this project, and to the same level of funding?
- (2) If not, why not?

Ms MacTIERNAN replied:

- (1) The previous Government had made no provision of funds to back their supposed support of this important project.
- (2) The project will be considered in current budget deliberations.
