- (ii) It does not interfere with work, or the work of anyone else; and
- (iii) It does not involve unethical behaviour.'

In addition, Premier's Circular 24/01 stipulates that mobile phones are provided for work related purposes, however there will be circumstances where private use is acceptable. However, mobile phones are not to be used for conducting private commercial activities, party political or campaigning purposes, or accessing fee incurring information services for unofficial or unnecessary purposes.

The Premier's Circular requires agencies to adopt monitoring processes to address mobile phone usage, however there is no requirement for the number of non-government related calls on mobile phone accounts to be specifically audited. Detailed information on the usage of

telephone facilities is retained by the Department and can be scrutinised at the direction of the Director General if necessary.
