

GREENHOUSE GAS STRATEGY

728. Mr BROWN to the Minister for the Environment:

- (1) Does the Minister have responsibility, on behalf of the Government, for the Greenhouse Gas Abatement policy and strategy?
- (2) What initiatives are being taken at the present time to reduce Greenhouse gas emissions?

Mrs EDWARDES replied:

- (1) Yes
- (2) The Western Australian Greenhouse Council has recently finalised and forwarded through me to the Australian Greenhouse Office, the Western Australian Implementation Plan for the National Greenhouse Strategy. The Council is currently working on a State Greenhouse Strategy for the Government's consideration.
