

LEEMAN BOAT RAMP

Petition

Mr W.J. McNee presented the following petition bearing the signatures of 177 persons -

To the Honourable the Speaker and Members of the Legislative Assembly in Parliament assembled.

We, the undersigned, say that the boat ramp currently in use at Leeman is in a serious state of disrepair making it unsafe to use and is in need of upgrade as soon as possible.

Now we ask that the Legislative Assembly urgently consider the allocation of funding through the offices of the Minister for Planning and Infrastructure to enable this work to be completed at the earliest possible opportunity.
