

URANIUM MINING — BAN

Petition

MR D.J. KELLY (Bassendean) [3.05 pm]: I have a petition with 476 signatures that has been certified as complying with the standing orders. The petition concerns the mining of uranium in Western Australia. It reads —

To the Honourable the Speaker and Members of the **Legislative Assembly** of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia are opposed to uranium mining.

We ask the Legislative Assembly to recognise the unacceptable risk to the community and the environment posed by uranium mining and to immediately reinstate the ban on uranium mining in Western Australia.

Your petitioners as in duty bound, will ever pray.
