

CORONAVIRUS — REGIONAL HEALTH SERVICE PREPAREDNESS

**215. Ms M.J. DAVIES to the Minister for Health:**

I thank the minister for that answer. As a supplementary question, would he consider authorising the CEO or a representative of the CEO of the WA Country Health Service to provide me, as the Leader of the National Party, with a briefing on the WA Country Health Service's response to COVID-19?

**Mr R.H. COOK replied:**

I think that is an excellent suggestion and I will make sure that it happens for the leader and all our regional members.
