

MEMBERS OF PARLIAMENT — TRAVEL REPORTS

1045. Mr A.P. O'Gorman to the Premier

- (1) Can the Premier provide names of all those Members of Parliament who have presented reports of their travel since June 2007 to the Department of Premier and Cabinet which have not yet been tabled?
- (2) When does the Premier expect to table these reports?
- (3) When will the Premier make a media statement to clarify the public perception that certain Members have not submitted reports?

Mr C.J. BARNETT replied:

Department of the Premier and Cabinet advises as at 24 June 2009:

- (1)-(3) Travel reports for the period July 1 2007 to 31 December 2008 which were received by the Department of the Premier and Cabinet were tabled on Tuesday 9 June 2009. The only remaining reports to be presented to Parliament relate to the first two quarters for 2009 which are not required to be tabled until three months after the end of the relevant quarter.

It is expected that the reports for the quarter ending March 31 2009 will be tabled as soon as possible after 30 June 2009. Reports for the current quarter ending June 30 2009 will be tabled as soon as possible after 30 September 2009.
