

**COLLIE COURTHOUSE**

*Question without Notice 681 — Supplementary Information*

**HON MATTHEW SWINBOURN (East Metropolitan — Parliamentary Secretary)** [5.07 pm]: On Wednesday, 17 August 2022, in question without notice 681, Hon Nick Goiran requested that the Attorney General table any briefing notes or similar documents at or around the commencement and conclusion of the review of the Collie courthouse. On behalf of the Attorney General, I informed the house that the Attorney General's office would take steps to identify and review any relevant briefing notes for the purpose of tabling them in Parliament. I undertook to provide an update to the house as soon as practicable. I can now inform the house that the Attorney General's office has received and located two relevant briefing notes, and I now table them.
