

WATER CORPORATION — ENGINEERING AND CONSTRUCTION SERVICES

3948. Mr D.J. Kelly to the Minister for Water:

Has any member of the Water Corporation's Executive team had any contact concerning employment with any of the companies who are being considered as potential purchasers of Engineering and Construction Services, and if yes, how will this be handled during the sale process?

Ms M.J. Davies replied:

The Water Corporation has advised that none of the Executive team has had any contact concerning employment with any of the companies being considered.
