

PUBLIC TRANSPORT — TWO-ZONE FARE CAP POLICY

**1503. Hon TJORN SIBMA to the minister representing the Minister for Transport:**

I refer to the state government's earlier decision to consolidate public transport fares via the two-zone fare cap policy.

- (1) Can the minister please provide data from the last 12 months on the take-up of this policy for patrons travelling distances equivalent to three to nine zones inclusive?
- (2) What has been the additional cost to government of implementing the policy over this period?
- (3) How is the financial impact of the policy recorded for accounting purposes; for example, is it recorded against the public transport operating subsidy?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. The following answer has been provided to me by the Minister for Transport.

The information requested cannot be provided in the required time frame. I ask that the member please place this question on notice.
