HON BARRY HOUSE (South West) [10.04 am]: I present the seventh report of the Standing Committee on Public Administration and Finance, in relation to freehold and leasehold land in Western Australia, and I move -

That the report do lie upon the Table and be printed.

I give my thanks and congratulations to all committee members and committee staff, particularly Paul Grant, Sarah Kearney and Jan Paniperis, who laboured long and hard to produce the report which, I understand, is the largest report ever produced by the Legislative Council committee office.

Question put and passed.
