

KALBARRI DISTRICT HIGH SCHOOL — PERFORMANCE INQUIRY REPORT

107. Hon MATT BENSON-LIDHOLM to the minister representing the Minister for Education:

I refer to the recently released performance inquiry report into Kalbarri District High School.

- (1) In each of the years 2008, 2009, 2010, 2011 and to date in 2012, what is the total number of formal complaints received by the midwest education regional office, the head office of the Department of Education and the Minister for Education in relation to the performance and behaviour of the school's administration staff, principal and deputy principal?
- (2) Given that the expert review group inquired into and reported on the relations between Kalbarri District High School and the local community, by what timeframe is the school expected to develop strategies for improved community relations?

Hon PETER COLLIER replied:

- (1) Assuming the honourable member is referring to the years 2008, 2009, 2010, 2011 and to date in 2012, please refer to the earlier response to question without notice 48.
- (2) The planning of strategies for improvement are underway following the meeting between the principal, the regional executive director, and the director of the expert review group on 13 February 2012. Recommendations for improvement will be monitored by the midwest regional executive director.
