

LOCAL GOVERNMENT - VOTING SYSTEM

**223. Hon NIGEL HALLETT to the Minister for Local Government:**

Could the minister give the estimated total costs that will be incurred in implementing the changes to local government election voting methods?

**Hon LJILJANNA RAVLICH replied:**

I thank the honourable member for some notice of the question. I recall that this question was asked by Hon Murray Criddle during the debate on the Local Government Amendment Bill (No. 2) 2006. I remember that it was a very simple answer along the lines that there will be no additional costs imposed by the Electoral Commission.
