

SKY JETTY PROJECT, CONSTRUCTION

82. Hon Barry House to the Minister for Housing representing the Minister for the Environment and Heritage
- (1) Will the Labor Government confirm the building of the 'Sky Jetty' at One Tree Bridge between Manjimup and Nannup, which was previously committed and financed by the Coalition Government as part of the RFA restructure package?
 - (2) If yes, when will the project be built?
 - (3) If not, why not?

Hon TOM STEPHENS replied:

- (1) The previous Coalition Government's support for the 'sky jetty' was predicated on funding from the Commonwealth Government's contribution under the RFA. Subject to Commonwealth funding this Government has committed \$1 m towards the cost of the project.
- (2) When Commonwealth funding is secured.
- (3) N/A.
