

STUDENT SUBSIDISED TRAVEL SCHEME, ESPERANCE

76. Mr SWEETMAN to the Minister for Planning and Infrastructure:

In relation to the student subsidised travel scheme, can the minister inform the House -

- (1) Will a review of the transport subsidy scheme take place; and, if so, when?
- (2) Pending such review, can the minister guarantee that the families living in the Esperance region will receive assistance from the student subsidised travel scheme on an interim basis when the current arrangement ends at the end of the current school term?

Ms MacTIERNAN replied:

I am sorry, Mr Speaker, I have had no notice of the question and I ask the member to put it on notice.

Mr Barnett: You had plenty to say a few minutes ago.

Ms MacTIERNAN: On a completely separate issue.
