

MINISTER FOR EDUCATION AND TRAINING, ACTORS EQUITY MEMBERSHIP

**483. Hon BARRY HOUSE to the Minister for Education and Training:**

Following the minister's histrionics and theatrical performance answering previous questions today, and knowing the minister's close association with the trade union movement, can she tell the house whether she has paid her dues to Actors Equity?

Several members interjected.

**The DEPUTY PRESIDENT:** Order! That is not a question to a portfolio.
