

REGIONAL DEVELOPMENT — COMMUNITY RESOURCE CENTRES — REVIEW

1228. Hon Tjorn Sibma to the Minister for Regional Development:

Will the Minister agree to commissioning an independent review of the effectiveness and efficiency of Community Resource Centres operating across Western Australia?

Hon Alannah MacTiernan replied:

The Department of Primary Industries and Regional Development is presently conducting a review that will provide Government with options on how to appropriately allocate the new Community Resource Centre program budget. All of the Community Resource Centres are being consulted as part of this review.

Historically there have been multiple independent reviews undertaken regarding the CRC program. These reviews will be taken into account by the Department of Primary Industries and Regional Development as part of its current review.
