

QUESTIONS ON NOTICE 4693 AND 4694

Answer Advice

HON SALLY TALBOT (South West - Parliamentary Secretary) [4.38 pm]: I inform the house that on Thursday, 22 March 2007, Hon Paul Llewellyn asked questions on notice 4693 and 4694 to the Minister for Regional Development representing the Minister for the Environment. Both these answers were submitted today. I would like to table and read the updated response for part (4) in questions 4693 and 4694.

- (4) DEC has advised me that, from information provided by KCGM, the depth in metres below the surface that groundwater was encountered/intersected was not recorded when the bores were constructed.
