

PREMIER'S SCIENCE COUNCIL - REPORTS

801. Hon BARRY HOUSE to the Leader of the House representing the Minister for Science and Innovation:

- (1) Are the following reports, which were overseen by the Premier's Science Council, available to the public: the report on creating a future with science; the public engagement and science communication plan; and the strategic integration working group final report from February 2006?
- (2) Will the minister table copies of these reports today?
- (3) If no to (2), why not?
- (4) How and when will the science education strategy be implemented?

Hon KIM CHANCE replied:

I thank Hon Barry House for providing notice of the question.

- (1)-(2) No.
- (3) All three reports will be released when the consideration process has been completed.
- (4) A science education strategy may be implemented when the recommendations in the report on creating a future with science have been fully considered.
