

PARLIAMENTARY SECRETARY, LUNCH

**1313. Hon BARRY HOUSE to the parliamentary secretary representing the Minister for Planning and Infrastructure:**

I refer again to the 14 April article in the *Sunday Times* headed "Exclusive lunches a powerful force", and ask -

- (1) Did Hon Graham Giffard attend the lunch in his capacity as parliamentary secretary?
- (2) What was discussed at the meeting?
- (3) What agreements were reached with Mr Rummukainen?

**Hon GRAHAM GIFFARD replied:**

- (1) No, I did not attend in my capacity as parliamentary secretary.
- (2) To the best of my recollection, none of the issues discussed related to my responsibilities as parliamentary secretary.
- (3) I do not recall any agreement being reached.
