

MENTAL HEALTH — NATIONAL SUICIDE CRISIS — KIMBERLEY

5641. Ms J. Farrer to the Minister for Mental Health:

I refer to the ongoing National Suicide crisis in the Kimberley, and I ask:

- (a) how many suicides have been committed in Kununurra each year from 2012–2016 to date; and
- (b) of those, how many had previously presented to Mental Health Services?

**Ms A.R. Mitchell replied:**

- (a) The Mental Health Commission does not have access to this information. I refer the Member to the Coroner's Office of Western Australia for a direct reply.
- (b) Not applicable.
