

POLICE — YARLOOP POLICE STATION

**1112. Hon SALLY TALBOT to the Attorney General representing the Minister for Police:**

- (1) When will the police station in Yarloop become operational?
- (2) How many officers will be based there?
- (3) What will the hours of operation be?

**Hon MICHAEL MISCHIN replied:**

On behalf of the Minister for Police, I thank the honourable member for some notice of the question.

- (1) Once remedial works are completed at the station and it is deemed suitable for occupation, the station will become operational. At this stage, no opening date can be confirmed.
- (2) Western Australia Police advises that, due to operational sensitivities, specific information that relates to staffing levels of individual police stations is not released. Resources are allocated at a district level and district superintendents deploy those resources within their districts to deliver the best possible policing service to the community.
- (3) Hours of operation will be subject to operational demands.
