

COLMAX GLASS PROCESSING FACILITY

1432. Hon SALLY TALBOT to the minister representing the Minister for Environment:

- (1) When did the Colmax Glass's recycling plant commence operating and when did it go into receivership?
- (2) Is the plant currently operational?
- (3) If yes to (2), when did it recommence operations; who is the new owner; do its operations consist of anything other than glass recycling; and how much glass has it recycled since recommencing operations?
- (4) If no to (2), what has happened to Colmax's assets?

Hon HELEN MORTON replied:

I thank the member for some notice of the question.

- (1) Colmax commenced processing glass through the Kewdale plant in January 2011. On 18 September 2013, the Victorian Supreme Court ordered for Colmax to be wound up and liquidators to be appointed.
- (2) No.
- (3) Not applicable.
- (4) Plant and equipment is reported as liquidated—Ferrier Hodgson, 29 July 2015.
