

TRANSPORT — SPEED CAMERA — IOLANTHE STREET, BASSENDEAN

5653. Mr D.J. Kelly to the Minister for Transport:

On how many days during the 2015/16 financial year was a speed camera located on Iolanthe Street, Bassendean:

- (a) on those days how many drivers were caught driving at between 50 and 60 kms per hour; and
- (b) on those days how many drivers were caught driving over 60 kms per hour?

Mr W.R. Marmion replied:

The Department of Transport does not have jurisdiction of speed cameras and this question should be asked of the Minister for Police; Road Safety.
